ELIGIBILITY CRITERIA

- Applicants must be legally incorporated or registered as an organisation or an academic institution.
- Applicants must have a presence in India. Applicants outside of India must identify an Indian partner and apply as a consortium. Capabilities and responsibilities of entities forming the consortium must be established in the submission
- Applicants must have expertise in the theme of choice. We encourage including examples of prior solutions or uses cases for the selected theme in the submission.
- Applicants must curate solutions for the local context of Ujjain and the characteristics of Simhastha Kumbh Mela. This must be reflected in the proposals.
- Applicants must be willing to travel to Ujjain and engage with the Challenge team and government stakeholders to develop and pilot solutions.
